First, let's try "Add New EOC Event":

Registration Opens:	* Select a future date only if/when you wish to po	st an event without allowing registration until a certain date
Carpool Departure Time:	(if applicable)

Organizer(s): When creating a new vent, you are automatically selected as an organizer. To add more organizers Ctrl-Click their names.	Adams, Anne (anne) Agrios, Susan (fitness) Aitelmaalem, Hicham (nohi) Albrecht, Courtney (callyfly) Albrecht, Ronald (ron123) Alke, Elizabeth (ealke) Allard, Nicole (nicolea) Allen, Amanda (aallen)	It'll look something like this, so let's go
Type:		through each
Difficulty Rating:	D1: Easy	
Participants:	Must Stay with Group During Entire Event	parameter.
Dogs:	Are Permitted	
Who's Invited:	Members & Guests	
Age Restriction:	All Ages Welcome	

- Date Begins: date of event, or first day of multiday events.
 - If you are doing a multiday event, you will use another screen to add those dates.
- Registration Cutoff: last day to register
 - Remember to leave enough room for yourself to deal with vendors, payments, bookings. Set the cutoff a few days before you have to actually pay the vendor so you have time to get money, chase stragglers, etc.
 - Otherwise, it's your choice as to when you want people to have the freedom to sign up and cancel on their own.
- Registration Opens: when people can start signing up
 - This was put in place because some events sign up very fast (optional).

- Carpool Departure Time: only used for carpool events
- Start Time: time when event will start.
 - You can set this a bit early to give yourself time to gather your group. People are also often late so if you set it for 5:45, some will arrive at 6:00.
- <u>Duration</u>: estimate of how long the event will be from start to end
- <u>Title</u>: as it will appear on the calendar
- Organizers: this is a list of the entire membership, and your name will be selected by default
 - Use CTRL-left click to select additional coordinators.
 - Only selected coordinators will have access to change details of this event.

- Type: general category of event
- Difficulty Rating: please use EOC guidelines
 - Overestimate if you're not sure; better safe than sorry.
- Participants must stay as a group (for entire event)?
- Dogs allowed?
- Who's invited: we usually allow all, but it's possible to make it a member-exclusive
- Age Restriction:
 - It's nice to be inclusive, but again, better safe than sorry.
- Maximum Group Size: how many can you comfortably lead?
 - Or number the vendor will allow.

- Maximum Guest Size: how many guests total will you allow?
 - Remember that guests may not be familiar with the club.
 - Children are always guests.
- Minimum Group Size: how few can the event go forward?
 - Not just if it *can* go forward, but would it be still fun or safe?
- Max # of Guests per Member:
 - The sum of guests from all members will not exceed Maximum Guest Size.

- Itinerary: the details
 - Here's the fun part! Browse old events, especially of similar ones as examples. Be detailed about what you're doing including notes about difficulty, experience, safety and equipment. Make it interesting!
- Required Items to Bring: brief list
- Recommended Items to Bring: brief list
- Location: where is the actual event (address)?
 - This may be different from where to meet if a separate carpool location is involved.
- Directions: how to get there?
 - This may be different from how to get to carpool location as well.

Travel:

- By checking this box, you will activate the carpool features of the website, including the calculation of an estimated carpool cost.
- If carpooling, allow meet at event?
 - By checking this box, you are indicating that people must participate in carpool and cannot meet at the final destination.
 - There's LOTS to learn about Carpool, so be sure to ask an experienced coordinator.
- Total Km: Google maps is your friend here.
- Carpool Locations and Directions
- Cost: Participants Will Make Payment to EOC Prior to Event
 - By checking this box, you will make this an EOC paid event, meaning participants will pay the EOC treasurer in advance.

- Member cost, Non-member cost:
 - This depends on the event. If it's a paid event, then it usually involves some discount for members. Guests usually pay the non-discounted price to encourage membership
 - Be sure to include costs of EOC administration; 3% or \$1.50, whichever is greater.
 - You can also round to the next dollar to make it easier. The slack is put into EOC operating funds like donations.
- Cost includes
- Voluntary Donation:
 - Usually \$2 for a non-paid, \$0 for paid
- Cancellation/Partial Attendance Statement and Additional notes
 - Additional info if useful.

- Phew! That was a lot!
- It'll all become second nature as you run more events.
- If in doubt, just ask another coordinator or the volunteer coordinator.
- This is especially the case if you haven't done:
 - Carpool events
 - Paid events
 - Multi-day events
- Please do your best to not change event information once they have been posted and people signed up. If you must, then inform those that have signed up as best you can, including calling everyone individually if there's very little notice.

You can add a promotional picture to your event! Please make it 300 pixels max on each side. If it's bigger, it will screw up the text formatting.

Edmonton Outdoor Club - Officer Area - Upload Promo Images

To upload a promo image, browse for the image on your PC. If an image is already on file for an event, and you upload a new one, it will override the existing image without warning. (You can see if an image is already in existance by visiting the event details page on the front-end of the web site).

Note that this page also serves as the page to upload the main archive image, after an event is added to the archive. Simply write over the promo image by uploading a main archive image that is between 200 and 300 pixels wide.

Promo images should be no more than 140 pixels tall by about 300 pixels wide.

Other Functions

Explore!

- These are just the essentials. There's actually a lot more to the EOC website.
- Once you have access, explore and ask questions!
- A few suggestions for self directed exploration:
 - Event Suggestor
 - Double Bookings
 - Transfer/Split Waitlist
 - Email all Volunteers
- And more may be available depending on your role.
- These other functions are less often used, so an experienced coordinator can help you with it when it comes up.

BONUS: You'll also get access to a volunteer-exclusive section of the FORUM! The Forum is great for communication and cooperation with other volunteers. You have a question about the website? Paid/Carpool events? Club policies? How to deal with members? Need help with a mega-event? This is a great place to ask.
